

Boys Staters Visit Rotary

"We found," says Tommy Close, "that the trip to Boy's State is so organized that the tight schedule is practical in its purpose to allow Staters to learn the functions of our Tallahassee government."

Tommy gave Rotarians and three boys who will go from Belle Glade this year a run-down on the trip.

Mickey McKee, Ron Halbrook and Chas. Thompson (front l to r) are the current candidates for the trip. John Causey who will also go was not able to be at the Rotary.

Tommy Close is shown in center, on the right of Bobby Hooker who conducted the meeting in the absence of President Kirkham.

Wm. Hearn, (second from l rear) Legion Adjutant, presented the program after introduction by John Causey, Program Chairman.

R. L. Fritz Rites
Thursday A. M.

Robert Leroy Fritz, 55, died suddenly Monday night. He resided at 1024 Palm Beach Rd. He was a native of Knoxville, Tenn., and had lived in the area for two years. He was affiliated with the Baptist faith and was an employee of Sam Senter Farms.

Survivors include his widow, Dorothy, Belle Glade; two sons, Robert L. Jr., and Leon Edward Fritz both of Knoxville and one daughter, Linda Kay also of Knoxville.

Funeral services will be conducted 10 a. m. Thursday at Williams Funeral Home Chapel, Belle Glade with the Rev. S. J. Davis pastor of Church of God officiating. Interment will be at Fort Mayaca Cemetery.

Mrs. S. J. Sorum

Reported Improved
In WPB Hospital

City Manager Sorum reports that his wife who was returned to the Good Samaritan Hospital on Monday, is apparently improving.

Mrs. Sorum came home Saturday for the purpose of recuperating in her own home, but on Monday morning her condition was such that a return to the West Palm Beach hospital was deemed necessary.

BGHS Seniors—
Extra Class Photos
Available At Herald

We have over 100 extra copies of the Senior Class picture of '63 still on hand at The Herald office.

While some of these may not be the very clearest prints, we believe some of you, or your classmates, might like extra copies.

Just stop by THE BELLE GLADE HERALD and pick up what you want. First come first served.

Ronnie Perkins

At Cattle School

Monday morning, June 10, Ronnie Perkins of 24 N. W. Ave. Belle Glade, Fla., enrolled as a student in the Graham School for Cattlemen (Beef and Dairy) Garnett, Kansas, for a week of intensive training in artificial insemination of cattle and in herd management.

Since cattlemen come from all parts of the United States, as well as from other countries, Mr. Perkins will have many opportunities for an exchange of ideas relative to all phases of the cattle business.

Mosquitoes, Yes - Flies, No!

Inquiries around the City of Glades give us the information that the engine that was ordered in. Now, some additional parts or assemblies, are on order, or are to be ordered, to complete the "skeeter" machine.

Information from Brevard County is that this machine "does the job" on mosquitoes.

The City administration is a bit uncertain about the fly-killing abilities of the new machine; as a matter of fact there is a feeling that the new machine won't do us any good along that line.

So, it appears we will have flies, the Give-Away Boys and the Kennedys, for the summer, as usual.

Ev. Fed. Savings
Offices Will Close
All Day June 25th

Everglades Federal Savings & Loan Association will be closed all day Tuesday, June 25, for posting dividends, executive vice-president Richard Poston announced.

Their offices will be open on Wednesday, June 26, for business as usual.

The board of directors has declared a 4 and one-half percent dividend payable on the first six months for 1963, and dividends will be posted beginning Wednesday morning, Mr. Poston informed.

Pre-School Day Care Center Formed
By Interracial Group Is Active

Belle Glade Interracial Committee, an organization with a decade of activity, has brought to a stage of definite plans, a proposal for providing the site, a building and operational organization of a day care center for pre-school children.

Some individuals on the committee recall their own activity some twenty years ago which resulted in the building of a "day nursery" in each of the two migratory labor camps.

A demonstration of the need and great good to the children was one established in the Legion Hall, with a registered nurse in charge and Dr. W. J. Buck's regular medical care.

The original "Nursery," which in practice became an "Orphanage," was wholly supported by weekly collections of cash, vegetables, bed and personal clothes from local individuals and organizations.

A legal vehicle, as a non-profit organization, formed by the public will join in this effort for whatever you give is a deductible item and any endowment will find a useful objective in future years.

Attorney Robert Matthews guided the discussion in the formal selection of the name, and is caring for the legal work for WE CARE, INC.

W. C. Taylor, a funeral director and long-time community leader, is president, Miss Sara Creech is vice president, Mrs. Mercedes Robinson is secretary.

Permanent Mgr.
For Swimming Pool
Needed By City

Miss Slater (Mrs. Cynthia Slater Christie) has agreed to care for the swimming pool for two to three weeks, according to reports, and is on the job.

However, there is a need by the City for a permanent manager. The City Fathers say that the applicant should be 21 years of age and qualified as a Pool Manager.

The kids and old folks need help.

Glades Roads 'In' Current Budget
To Build, Rebuild Or Recondition

With US 27 pledged to be completed during the immediate

fiscal year, to South Bay, the building of a mile of road from 715 to Glades Sugar House, and reconditioning of State Road No. 98 from South Bay to Six-Mile-Bend, the reconditioning of 827 to include the site of the recent tragic drowning, as well as other road work, the Glades is substantially "in" the budget of the State Road Department.

Assurances have been made to the County Delegation in Tallahassee that the work will be carried on to a final completion with all due speed.

However, according to Representative Emmett Roberts "these items still leave some of our major problems untouched."

This observation is contained in a letter to Mr. Monahan, District Chairman of the Road Department at Ft. Lauderdale.

"We're sick — we need a major operation, not just first aid," says Bob Lee, Chamber President. "We must certainly appreciate the 'first aid,' but how sick our roads are."

President Lee continues:

"There has been concentration of effort put forth by the City, the Chamber of Commerce, County and Tally Representatives about the increased demands being made on Glades roads as a result of the 100 million \$8 sugar industry."

The 27-death accident was publicized on account of deaths, but frequently — even the next day following the bus accident — accidents have occurred on account of the road conditions."

"The fact that our roads are antiquated is proven by the results."

Local Optometrists
Attend Convention

The Florida East Coast Optometric Association was well represented at the annual Florida Optometric Association convention in Tampa last week, according to Dr. David Haughton, president.

Among those attending from the Glades were Dr. R. Y. Creech, Belle Glade; Dr. Donald Fish, Belle Glade; Dr. L. D. Vaughn, Jr., Clewiston; and Dr. Richard C. Lane, Palokoe.

Two area optometrists were selected by the new state president, Dr. Paul Kessler of Orlando, to head important state committees for the coming year.

Dr. W. L. Harman, West Palm Beach, was named chairman of the committee on social and health care trends for the third year.

On the staff side, Mrs. T. Okie Miller, West Palm Beach, was selected second vice president of the Women's Auxiliary.

On the evening of Wednesday, June 19, the association in their convention held concurrently with the optometrists' convalescence.

Somebody's Hogwash
Or "Fulla Hogwash"

County Commissioners found themselves with something like a pig in a poke this week.

He wanted to know if Palm Beach County had ever granted exclusive hog rights to anyone and if so he wanted them rescinded. Seems someone claimed an exclusive grant to hunt all the wild hogs in the county.

County Attorney Harry Johnston, who admitted he didn't know all there was to know about the wild porkers, said he had not found any statute on hog rights.

The meeting all but broke up when Commissioner Lake Lytal moved to rescind all the hog rights. His motion lacked a second.

Glades Pioneer Healthy, Active
As She Celebrates 85th Birthday

runs her own household, and takes care of all her rental business."

Mrs. Harris still lives upstairs at 123 W. Avenue A, the building where she and her husband operated a clothing store for several years in quarters now occupied by Louis and Betty Shope and Belle Glade Jewelry. Her husband, the late Herbert John Harris, died about four years ago.

Mrs. Harris, born in Des Moines, Iowa, is a graduate of the University of Des Moines. Her education was devoted mainly to the rearing of three sons, all living in Florida, Francis, Belle Glade; William, Palokoe, and Douglas, Daytona Beach, and two daughters, Mrs. Al (Marjorie) O'Neil, West Palm Beach, and Mrs. Lucille Rust of Des Moines. One of her frequent "stunts" is a bus trip to West Palm to visit with daughter Marion.

The Harris family moved to Belle Glade from Des Moines in 1936, and farmed here until the 28th anniversary. It was then they opened the clothing business, and in due course acquired rentals with a rooming house and their livelihood since 1934.

Mrs. Harris, a member of the Methodist Church, is reported to "never miss a circle meeting."

The community joins in celebrating Mrs. Harris for many more happy birthdays and many more active years.

Rec. Program
Enrollment 175

The Summer Educational Enrichment Program opened Monday at the Municipal Park with 175 enrolled, a very good attendance continued through the week.

The boys and girls are enjoying a variety of activities including basketball, volleyball, ping-pong, tennis, kick ball, ping

pong, shuffleboard, croquet, recreational games, high jumps, broad jumps, dashes, etc.

The Junior A. U. Physical Fitness Test is being administered to all park participants.

Coach Therrill Luke and Jay Bottoms are supervising in the mornings, joined by Coach Harry Davis in the afternoons.

Arts and Crafts begin at 9 a. m. daily. The students are working this week on wax paper, crayon designs, lanyards, bracelets, and paper mache.

Teeners Drivers Licenses
'Drive' Papa to Trouble

"There's a Law," and it's been read and re-read recently by Juvenile Authorities, by Glades Deputy Sheriff Verne Clark and by Chief Goddett of Belle Glade — about teeners' drivers licenses.

If it's enforced — and these authorities say it will be — there'll be mental anguish in quite a number of Glades homes. I'll be Mama and Papa who'll be scratching various parts of their anatomy for they are responsible for "unauthorized" car drivers.

Besides, the issuance of future drivers licenses to John or Mary teenagers will be seriously handicapped.

These authorities are asking

the cooperation of parents and the teeners: "If you're not licensed to drive DON'T DRIVE. If your license is limited, stay within those limitations."

It's a notorious fact that many teeners have been violating drivers licenses with an encouragement, aiding and abetting by fond parents, before, during and after school hours.

The facts are irrefutable — names, car license numbers are available.

"Please help us, say the authorities. "We're interested in the safety and well-being of the teenager, the parents and the public."

US Highway No. 27 Was Kinda Rough — Way Back In '47!
Progress Does Get Here!

BMR — Before Modern Roads — could well be the heading here, for Hub Spooner as President of Clewiston Kiwanis in 1947 is thanking a Palm Beach County delegation for the milk — large glass jar to the right.

"Why did you partially churn the milk?" Hub asked Ralph Blank (right)? "We merely placed it on the floor of the car and drove from Belle Glade over US Highway No. 27," said Mr. Blank.

"Somebody got the idea," says Hub, "that the Palm Beach County boys were trying to call attention to road conditions along No. 27."

Joe Farris, Washington representative for continental cane growers, is taking it all in (left).

Too Much Wine —
Too Much Potash —
A Lotta Cash Bonds

Two boys 21, and 22 got "wined up" Saturday night and began flailing around with pistols, threatening folks and generally making a nuisance of themselves.

Officers McCoy and Harrison took them in tow and when the charges had been listed there is found "bare assault" — assault with a deadly weapon, illegal display of firearms, illegal discharge of firearms, threat to kill and just plain disorderly conduct."

The total bonds set for the two amounts to \$975.

Dorothy and Charlie Dennison continued a family argument until each with a glass of potash tried to "leave a mark" on the other. The County will deal with these two.

James Chevis forgot that he didn't have a driver's license — he even forgot that his old one was under suspension. Now James has prospects of a summer's rest as a guest of the City, and his driver's license probably "gone bye-bye."

-NEGRO NEWS-

PITCHING TENT: The Mango Neighborhood Girl Scout Day Camp were 1st Joanne Powell, Daisy McCoy, Patricia Leal, and Thelma Thomas. In the bottom photo the 41 girls scouts and leaders are saluting the flag following a flag ceremony held each morning as part of the camp program.

The first day camp for the colored Girl Scouts has at last been realized with camp getting underway Monday a.m. The community as a whole has helped toward this program.

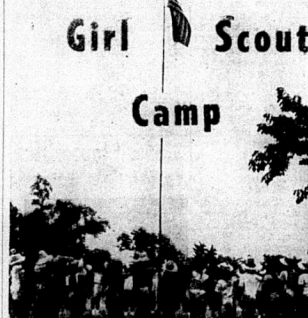

The City Council and Police Chief Goddett have assisted by roping off a portion of land owned by the city, adjoining Slim's Camp and the city dock, and have given able assistance in patrolling the camp, and spraying for flies and mosquitoes.

It is a lovely place for camping with many beautiful trees and plenty of room for the seven tents. The grounds are fine for playing all kinds of games and fishing too.

Visiting the camp Tuesday morning were Executive Director Barbara Bridge of Palm Glades Council, the day camp chairman and three board members. Mrs. L. L. Price has also helped the scouts by obtaining uniforms for some of the girls.

In charge of the camp is director Mattie Leal, who has received training through the Palm Glades Council; Frances Morgan, recreation training with Josephine Devose and Mattie Powell as unit leaders.

Forty-one girl scouts in the 3rd to 6th grade are enjoying the camp which opens each morning at 10 a.m. and closes at 4 p.m. daily Monday through building, arts and crafts, learning, Friday, ending June 28. There are campfires, songs and games, and a large variety of projects for the girls including cookouts, life transported to the pool.

THOMAS HEDGES

The Bell's Glade W. T. Grant Store new manager, Thomas Hedges, comes to Belle Glade from Daytona Beach, where he was assistant manager. Hedges reportedly had his first training in the Miami Store under Mr. Bazemore, the first Belle Glade Grant manager. Only 27 and unmarried this is his first position as store manager. He is presently residing at the Ashley home on NW Avenue E.

Legislators "Hang Up The Flag" Noon Wednesday - History Made!

A report late Wednesday from Representative Emmett S. Roberts.

History will record, as usual, the results accomplished by various actions of the 1963 session of the Florida Legislature. The Legislature met for its regular sixty day session in April, facing a tremendous number of problems brought about by the rapid growth in population and the need for more facilities in the aid of education.

The Aero-Space age in no uncertain terms required that there be provided facilities including research programs in our higher education institutions plus programs in the Cape Canaveral area particularly. This had to be done to meet the industrial demand as well as the operational requirements of the military contracts and continuing Florida.

U.S. State Department Offers Jobs As Jr. Foreign Service Officers

Possible recruits of the Ivy League areas of education are currently being recruited by the State Department as "representatives of the Department if the State have visited hundred of colleges and universities throughout the country, in an effort to attract dedicated and intelligent young men and women."

"Citizens of the US for at least nine years" is a requirement. It has been about that long since the Supreme Court took itself full authority as to whom we may sell to go to school with, consort and socialize with.

One of the positions would allow a person to come in intimate contact with our vast "give away" program.

We highly recommend this opportunity to those "who are 21 and under 31 years of age as of July 1, 1963."

Applications and pertinent information may be obtained from the Board of Examiners for the Foreign Service Room 3533, Department of State, Washington 25, D. C. The closing date is July 22, and the exams will be given throughout the country on September 7.

3,683 Children Receive State Welfare Benefits

Rev. Paul M. Caisien, chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 6,529 persons were assisted in the four categories of public assistance for the month of May, 1963.

A total of 1,976 persons received Old Age Assistance in the amount of \$91,810; 106 persons received Aid to the Blind, totaling \$65,910; 1,018 families, representing 3,247 children, received Aid to Dependent Children in the amount of \$63,510; 109 persons received Aid to the Disabled in the amount of \$23,560.

In addition 436 children received service during the month. 228 of them were in foster homes. The total state and local cost for these child welfare services was \$14,186.74.

There were eight adoption petitions studied for the Circuit Court. There are children in homes independent of service through a licensed child-placing agency, and the Welfare Board is responsible for reports to law or make these reports to the court.

New Minister Takes Over July 1 Dr. Henderson Has Two More Sundays

Dr. John D. Henderson, guest minister of the Everglades Presbyterian Church, will bring to a close his service in this church as he preaches on the last two Sundays of this month. Next Sunday his sermon topic will be "The Secret of Walking in Fellowship with God." In announcing his sermon he said it was

possible for every person to walk with God, if the person was willing to walk God's way.

At a recent congregational meeting Mr. Urban Felsing and Mr. David Mox were elected to serve as elders in this church for a period of three years. Their ordination will take place after a following period in the doctrine and work of the church.

Rev. J. Paul Vondraek will be moving his furniture into the manse this week. He will come to the church as acting pastor on Monday, July 1st. In announcing his coming to this church, Mr. Vondraek said in part, "My prayer and hope is that this church will become a Divine Symbol of our Faith in Christ as Lord of our Lives. If this is to come to pass each of us must give, our talents, our means, and our time to the work of the Church. If this Church is to be a power for God, it requires that we commit our lives to the Lord. To support this Church and the church throughout the world we must all give, not grudgingly but joyfully. The giving of ourselves and our talents is evidence of our acceptance of Christ's challenge to follow Him." The church officers believe that there is a new day dawning for this church.

Sermon Topics

BELLE GLADE CHURCH OF CHRIST — "The Christian's Ideal Conduct" will be the sermon of Harry Darrow, Jr., at the morning service and at the evening service his topic will be "A Case of Discipline."

FIRST BAPTIST CHURCH, BELLE GLADE — "Loyalty Required" will be the sermon of Rev. Luther Key at the morning services. At the evening service Interim assistant pastor Bro. Lowell Crawford will speak on "The Call of God."

FIRST BAPTIST CHURCH, SOUTH BAY — Rev. James Fen ton will speak at the morning service on "The Vipers in the Camp" and in the evening on "The Law as our Guide."

Nineteen Men Plan For Weekend Retreat

Nineteen men from the territory of St. Philip Benizi Parish will make a weekend retreat at Our Lady of Florida Retreat House, starting Friday, June 21.

Our Lady of Florida Retreat House is located on Highway U. S. 1, in North Palm Beach. It was completed in 1962 and is dedicated to Christ Crucified by Bishop Carroll. The unique monastic columns hint the Crucified in their form. A very generous use of aluminum and shadowglass gridwall construction assures the simultaneous enjoyment of complete interior climate control of recollection and prayer and the view of the fascinating exterior semi-tropical landscaping.

The retreatants will be surrounded with the comfortable but austere furnishings, which do not distract them in their three days of meditation and prayer. The weekend retreat will come to a close on Sunday, June 23.

Those wishing to join this group of men to make a retreat will call Mr. Joe Murphy WY 6-2670. Everyone is welcome.

He Shall Be

... Like A Tree

By Roscoe B. Knight
Jesus, in the parables, likened his followers into many things. David likens the happy man to a tree. Let us consider how a follower of Christ is like a tree.

A tree is a planted thing. David says that he is planted by the rivers of waters. The one that follows Christ has been planted in the water of baptism (Rom. 6:4).

A tree is a rooted thing. The Christian is rooted and grounded in the faith (Col. 2:7). The rooting of the tree takes time. The Christian becomes rooted in the faith as he is established in the doctrine of Christ.

A tree is a growing thing. The tree gets its means of growth "by the rivers of waters." The Christian gets his means of growth from the word of God. It is hard for some Christians to grow in some environments. (1 Cor. 15:33).

The tree is also a living thing. It lives in all seasons. The Christian is always alive unto God. The tree is a thing of beauty. The life of a Christian is a thing of beauty. Sin mar the beautiful life. We should strive to do nothing that will mar the beauty of our lives.

Last, the tree is a fruitful thing. The tree bears after its kind. The true Christian teaches others and they become followers of the Christ.

May we pose this question? Is your life like that of the tree? The services of the Southside Church of Christ are held temporarily, in the Community Building. The subject for next Lord's Day morning will be "The Nail in a Sure Place." Sunday night: "They made his grave with the Wicked."

"YOUR RIGHT TO BE WELL AND WISE"

Minister Says:

You've Got To Watch Pennies To Plan Convention On Family Budget

In this era of rising prices, it's hard to meet expenses from day to day. But if you think you have a problem, consider the dilemma facing Miles Crum in Belle Glade. He has to plan for a convention every year without straining the budget and not just for himself, but for the entire family.

Miles Crum, presiding minister of the Belle Glade Congregation of Jehovah's Witnesses, will serve as a delegate to an eight-day international convention of the religious group, starting at County Stadium in Milwaukee, Wis. June 30 to July 7. Attending with him will be his wife and Mr. and Mrs. Jaye Morris well known Glades pioneers.

Planning All Year
"Arranging our affairs to at-

end a religious seminar of this type requires planning all year long," Crum said, "and to be able to afford it, you've got to watch your pennies."

Conventions of Jehovah's Witnesses are an annual affair," he said, "and since we learned about the Milwaukee assembly several months ago we have been busy planning our budget for the trip ahead. It will be a spiritual boost for all in attendance."

Crum said the convention program will feature comprehensive Bible lectures, reports from foreign lands, and analysis on the world-wide work of the religious organization and symposiums which will demonstrate to the delegates advanced teaching methods.

Convention officials have revealed that in addition to the large number in attendance at Milwaukee, they expect 155,000 persons, representing the Eastern United States, Central and South America, Canada and the islands of the Caribbean at a like assembly in New York's Yankee Stadium. Arrangements have been made for similar assemblies in 21 locations in Europe, the Near East, Australia and the Isles of the Pacific and the final session at Pasadena, California.

BPWC Makes Plans For Coming Year
The Business and Professional Women's Club held an Executive board meeting at Everglades Savings and Loan Bldg. Monday night, with the new president Mrs. Gladys Jones presiding.

Plans were made and discussed for the program for coming year. Chairman appointed various committees and plans made for monthly bulletins. The National convention was discussed, which is to be held in July at Dallas, Texas. Considering to attend were Mrs. Rosa Nash and Mrs. Juanita Croft.

A Major Sacrifice

"Completing plans to attend the convention is the task of ministers all over the world," Crum said, "and it represents a major sacrifice for many of them. But the need for instruction on applying Christian principles to our daily lives is essential in these crucial times and this convention will contribute much to enrich our lives and teach us the importance of spiritual values."

"The results of such a program to each individual make the sacrifice well worth while," he said.

PROBING THE UNKNOWN

Early dawn at Cape Canaveral... and out of the flaming roar a finger of science probes the unknown.

Man has never been content to live behind a curtain of mystery. He must seek... discover... explore. Nor is man's soul less eager than his mind!

For if we are meant each day to learn more truth of our environment, we are meant, too, to learn one more truth of our Creator. There is hope that scientific probing can enrich our physical life; there is promise that religious searching will deepen our spiritual life.

Tomorrow depends on every lesson learned at Canaveral. But, to even greater degree, on every truth learned at Church.

Girl Scout Troop 201 had a most enjoyable camping trip at Hugh Taylor Burch Park at Ft. Lauderdale for a weekend. It was the first campout, where they roughed it, camping in

The group went hiking, had a big campfire on Saturday night and also went swimming in the ocean. They really had fun doing their own cooking too!

Seventeen Girl Scouts made up the camping trip with their leaders Mrs. Clarence Kidden and Mrs. Mendal Luce. Mrs. J. M. Davis was a chaperone.

This campout marked the end of the season, more or less for the Troop. Everyone wished to thank the mothers, Mrs. Lonas Amerine and Mrs. Larry Murray for their assistance in getting the equipment there and other help and also Mrs. Davis

Woodham-Bedsole Vows Exchanged In First Baptist Church, South Bay

MR. AND MRS. JAYE BEDSOLE

Miss Lana Rebecca Woodham, daughter of Mr. and Mrs. Burnham Woodham of South Bay, became the bride of Jaye Mackey Bedsole, son of Mr. and Mrs. M. R. Bedsole of 209 N. W. Ave. H. Place in Belle Glade. The wedding took place at the First Baptist Church of South Bay at 7:30 p. m. on Friday evening with Rev. James A. Fenton, pastor performing the ceremony.

Given in marriage by her father, the bride had as maid of honor Miss Karen Vadasz and junior bridesmaid, Miss Robbie Woodham sister of the bride.

Mr. Bedsole brother of the groom was best man and ushers were Eddie Lumpkin and Eddie Mikovsky. The head usher were W. H. Schoenfeld and Tony Woodham brother of the bride, all of Belle Glade.

The bride wore a white satin princess style dress with scoop neck. The back of the dress gave a train effect. The only accessories was a single string of pearls a gift of the groom. The bride's bouquet was of white orchids with white streamers.

The Maid of honor wore a blue silk organza dress lined with taffeta, featuring a scalloped neck line and blue circular veil. She carried a nosegay of pink sweet heart roses, pink carnations with silk streamers.

The junior bridesmaid wore a blue taffeta similar to that of the maid of honor, with matching flowers.

The bride's mother wore a printed silk dress with white accessories and a white orchid corsage. The groom's mother wore a Turquoise lace dress with white accessories and also a white orchid corsage. The grand

Educational Building of the Belle Glade High School class of 1961 and was a member of the Beta Club, Rainbow Club, and attended the Belle Glade Business School in West Palm Beach.

The groom is a graduate of Belle Glade High School class of 1962. He was a member of the D. C. T.

For a wedding trip around the state of Florida the bride chose a lime green suit with white accessories and wore a corsage of two white orchids.

Mr. and Mrs. Bedsole will reside in Belle Glade. She works as a secretary for Florida Sugar Co. and he is an employee of Belle Glade Machine Works.

Ambition!

Some railroaders want "feather beds, clean linen, soft musical alarms, ambulatory toilet facilities and air conditioned transportation portal to portal" — at the public's expense. High ambitions, compared to the average "rainin' — pallet on the floor, early morning visit to the "garden house" and "shank express."

"Seak the Rich"

The doctrine of "seaking the rich" may have a popular appeal — but as a revenue producer it is pretty much a flop. Henry Hazlitt tells the story in a recent issue of Newsweek. He writes: "The basic 20 per cent rate yields 85 per cent of the entire revenue from our personal income tax. Our whole progression up to 91 per cent yields only 15 per cent. And all the progressive rates above 50 per cent yield less than 1 per cent of total revenues."

The significance of this should be clear. Super tax rates do little to finance the government. Yet these rates deprive people in the higher income brackets of money that otherwise would be used for investment, for the building of new plants and facilities of every kind, and for creating jobs. The exorbitant rates, therefore, are self-defeating.

It can be added that the increased tax revenue that would come from increased investment — if coupled with governmental prudence — would in time make possible tax cuts in all the brackets, right down to the bottom, without creating appalling deficits at the same time.

Another word from Mr. Hazlitt is in order: "Perhaps the most serious harm done by progressive taxation is not merely that it reduces incentives, production, investment and growth, but that, by fostering the illusion that 'the rich' are paying the bill, it contributes to the enormous growth in government expenditure."

ALMA, MICH. RECORD: "Communism is rotten because it ignores completely the rights of individuals and destroys freedom and the dignity of man."

ANGOLA, IND., STEUBEN REPUBLICAN: "In recent years we have had more cases where juveniles... have been using alcoholic beverages. This, of course, is direct law violation... It is time the crime of peddling illicit beverages to minors is made a more serious crime with heavier penalties. This peddling is just as distasteful as the dope peddler. Both are law violators bent on the destruction of the health and morals of our youth."

Letters to the Editor — Re: Glades Bus Transportation

Mr. Thurmond W. Knight
 P.O. Box 9908
 West Palm Beach, Florida

Dear Mr. Knight:

Thank you for the clipping from the Belle Glade Herald dated May 30, 1963. We immediately investigated the alleged conditions forwarded to Honorable Farris Bryant, Governor of the State of Florida.

The only Palm Beach County school buses serving the area cited in the article by Mrs. Mansfield are as follows: Bus No. 122 is a 1962 International, 66 seating capacity school bus. Mrs. Evelyn Burns,

driver of bus No. 122 informs us she does not have over fifty (50) students on her bus at one time.

Bus No. 124 is a 1962 International, 66 seating capacity school bus. Mrs. Hortense Avenue, driver of bus No. 124 informs us she has never had more than one (1) student standing at any time and she has a maximum load of 67 students.

Bus No. 66 is a 1956 Dodge 66 seating capacity school bus. Mrs. Juanita Byrd, colored, is a maximum load of 33 students. This is 22 student seats. This is within the carrying capacity

of this vehicle with one grab handle for each standing student, 122 seats with one grab handle to each seat.) Mrs. Byrd advises us that her vision is not obstructed at any time from the left or right and that all passengers are behind the driver's seat.

The only small school bus serving in the Glades area is Bus No. 38, a 1954 International, 38 seating capacity, driven by Mrs. Ruth Mock, who advises us she has a maximum load not to exceed 41 students any time and the five standees disembark from the school bus at not more than two miles from the school.

All Palm Beach County school bus drivers are instructed to contact this office immediately if any overcrowded conditions exist. Monthly reports given us by the school bus drivers indicate no overcrowding on any school bus in the Glades area.

Further, no reports of overcrowding have been received by the transportation department from parents, school principal, city, county or state law enforcement agencies, in the Glades area.

We have contacted Mr. Getchell Singleton, principal of Rensselaer School, and at this time Mr. Singleton reports the largest number of students riding a school bus from this school is 72 which is six (6) standees to the bus.

Mr. Hector Ouellette, principal of South Bay School, informs us that there is no overcrowded conditions on any school bus serving his school. It buses serving South Bay School are 66 passenger seating capacity.

Mr. Charles McCurdy, principal of Lake Shore High School informs us that 38 students on bus No. 66) is the highest number of students riding any one school bus from his school.

Mr. Pelton Morris, principal of Belle Glade High School informs us that there is no overcrowded conditions on any school bus from his school.

Attended Convention
 Dr. Robert Elies Jr. and Dr. R. Y. Creech, Jr., attended the State Optometric Convention, held in Tampa, Thursday thru Sunday at the Floridian Hotel.

UNCLE DAN from DOOLIE says:

DEAR MISTER EDITOR:

I see by the paper where a letter named Edward Harriman has given permission to management to come out with some new models for rural boxes. He recommends the new models open from the back side instead of the highway side so the youngsters can fetch the mail without getting hit by cars. He didn't say how the rural mail carrier was going to stuff the mail in from the backside, but I reckon one of them Government agencies will solve the problem just as soon as they get a couple million "research" appropriation from the Congress for this purpose.

Brother Harriman says the Government ain't setting no price standards on the next boxes and if a letter wants to get himself some "status" in the community, he can have one paid in gold-plated and silver, \$1,000 or more. Personal, I'd prefer a barrel mounted on four cedar posts and opening from the bottom so I could get on the wheelchair under it and handle my literature from them Government agencies all in one operation. I aim to write in one operation. I aim to write these lines.

I been trying to trigger out, Mister Editor, how much tax relief I'm going to get out of President Kennedy's plan for cutting taxes. About the best I can figure right now is that it'll

be like dropping a lump of sugar in a barrel of coffee. I ain't going to sit enough relief to taste it. I saw where it said ain't had no real tax relief in this country in 200 year, since our ancestors give the Boston Tea Party and we ain't liable to get no more till the voters has a Washington Tea Party.

Well, Mister Editor, I hate to report it but the fellers at the country store Saturday night come out for this social medicine business. Ed Doolittle said if you take the long view of the thing, they ain't no way around it. Folks has got to have more medical care so's they can work longer for tax purposes. Furthermore, Ed claims the kid of today is going to have to take a heap longer than his Pa did and be a heap stronger and able to mow more taxes.

Zeke Grubbs said he'd have to go along with Ed on this item. Zeke figures the doctors is all strong again the social medicine and but Zeke allows how the doctors is going to have a hard time paying off the national debt by themselves.

Personal, Mister Editor, I voted again the resolution, "I ain't agin social medicine or social anything. Ever time the Government gets into one of these social deals we have to send \$2 to Washington to get \$1 back. I'd even be willing to give my boxes, would rather buy my own barrel.

Yours truly,
 Uncle Dan

This past week one of Palm Beach County's coastal farmers was given a very special honor by the Tractor and Implement Division of the Ford Motor Company. Mr. Louis F. Rauth of Delray Beach was awarded the 1963 Ford Allman Farm Efficiency Award in the Food Crops Section and at a dinner in his honor was presented a check for two thousand dollars by Ford Motor Company to be given to some research institution for research work in the area designated by Mr. Rauth. Mr. Rauth in turn presented the check to Dr. J. M. Walters of the Gulf Coast Experiment Station and to Mr. Norman Haystack of the Indian River Field Laboratory.

tory and specified for the research work be directed toward developing a tomato variety resistant to Tobacco Mosaic.

The award was given in recognition of Mr. Rauth's outstanding achievement in American Agriculture and for his contribution to improving farm efficiency toward a better standard of living for all mankind.

Mr. Rauth is a vine ripener tomato grower in the Delray Beach area where he annually produces some 400 acres of trelis tomatoes with an average production of almost 1,000 bushels per acre. These tomatoes are picked in the pink stage of ER. As we approach the rainy season, diseases will become active in our gardens and more care should be exercised to keep our plants healthy. We can look to a build up in diseases in all plants and today I would like to give our rose growers a few pointers on keeping their bushes free of the diseases Black Spot and Powdery Mildew.

"Black Spot" is one of the worst diseases of roses and gets its name from the spot it causes on the leaf. It can usually be controlled with fungicidal sprays using one of several materials, Captain, Maneb, or Ferbam. A new material recently introduced called Dithane M-45 has been proven to be one of the best to use against "Black Spot". Experiments at the University of Florida indicate that this material is very effective when used according to the recommendations on the package. Spraying should be done every 5 to 10 days depending on the weather and severity of the disease. The fungicidal applications should be most frequent during rainy weather.

"Powdery Mildew" also gets its name from the condition it causes on the leaves and stems, appearing as a powder on the leaves. It will cause a rolling and distortion of the leaves and sometimes a bending of the stems, particularly just under a bud. Materials which can be applied as dust or spray for the control of "Powdery Mildew" are Sulfur, Karathane and Actidione P M.

Florida Hunting

Costs \$63,983,798
To Those Enjoying
A total of 170,061 persons purchased resident and non-resident licenses to hunt in Florida during 1962, to place 34th in a nationwide survey of licensed hunters. Leading in the overall sale of hunting licenses was Michigan with a total of 1,086,506, according to a report by the U.S. Fish and Wildlife Service.

In commenting on the report, A. D. Aldrich, director, Game and Fresh Water Fish Commission, said the number of licenses sold is influenced by several factors, including weather conditions and the relative abundance of game. Some states require sportsmen to purchase separate licenses, stamps, permits or tags for hunting different kinds of game. Other states issue only one license for all game hunting.

In the sale of non-resident licenses, Florida placed 41st with a total of 1,750 visiting hunters. Leading in the sale of non-resident hunting licenses was Wyoming with a total of 66,141 non-resident hunters. The state of Hawaii landed on the bottom with a total of 6,824 licensed hunters, 142 of which were non-resident.

Aldrich said hunting is a big business when one considers the national total of 13,996,353 licenses issued during 1962, with a gross cost to the hunter amounting to \$63,983,798.

Commissioner Conner Tells Horse Students Of Growing Industry

Commissioner of Agriculture Doyle Conner told more than 150 horse raisers and lovers at the University of Florida's first Horse Short Course here last week that he believes "Florida will someday be the number one horse state in the nation."

Fla. Race Tracks Give \$199,000 Per County With More To Come

State Comptroller Ray E. Green says checks for \$6,000 from the race track tax fund are being mailed to each of the 67 counties.

The comptroller said the total received by each county to date for the current fiscal year from the race track tax fund is \$199,000, or \$6,500 more than each county received for the same period last year.

There will be one more distribution of the race track fund June 30.

Mr. and Mrs. Ralph Blauser and daughter, Janice of Ocala spent the weekend with Mrs. John D. Hemphill and their son, Ted Blauser. Janice remained for a visit with Audrey Mathis.

Speaking on the importance of the horse industry in Florida, Conner pointed out that the horse industry now contributes some 40 million dollars to Florida's economy. He said there are now 120 thoroughbred farms in the state, 70 of which are located in Marion County.

He also stressed that the average person can now own and enjoy a horse, "I know of nothing more wholesome for the family than to own a horse," he said.

Brand new on our shelves, two books grounded in Roman Catholicism, poles apart in character, inspired fiction by Morris West, about a Pope, and tribute to biography from the mother of Dr. Tom Dooley. For comic relief, a chuckle in the Jewish humor of Grandma Sarah Ostrow, as remembered by her comedienne granddaughter.

THE SHOES OF THE FISH-ERMAN, Morris West.

A quirk of fate, the death of a Pope, has given the appearance of this novel on the book stands an aura of indisputable timeliness, by the author of THE DEVIL'S ADVOCATE, a novel which received unique praise from critics and readers alike, it sets modern day precedent in having as its chief character a newly-elected Pope of the Roman Church. Not only a Pope, but a Russian Pope, he is the youngest representative in the conclave, just released after 10 years in Siberian prisons. A love story, never trite as it might be, the intimate acquaintance of Kiril the Pontiff with the Russian dictator, and the attachment of the Pope for Father Jean Telemond, a tormented Jesuit, whose progressive ideas face the entrenched opposition of the Holy Office, are main themes which run parallel through the book. The conflict of tradition with the needs of a world equipped to destroy itself forms the background for the drama, played to strains which are a rare blending of pomp and humility.

A down-to-earth story, this will attract a widely diverse audience, but might well win the praise of all, by acclamation.

PROMISES TO KEEP, Agnes W. Dooley.

Another among the books by and about Dr. Tom Dooley, this one has at once, the advantage and the disadvantage of being written by his mother. On the one hand, her adoration of this apple of her eye is all too apparent. On the other, her pride seems well founded, for few men have equalled the courage and self sacrifice of Tom Dooley, whose hardships and losses were camouflaged for saintliness.

SO LAUGH A LITTLE, Molly Picon.

Grandma Ostrow helped Ed-elstein to die. She advised, helped select a stone, collected price lists and visited funeral directors. When, after ten years, she stood beside the bier of the late manager of the Second Avenue

Theatre, someone overheard "Ed-elstein, I only wish you could have lived to see this day. I only wish you could have been here."

Also priceless among the quips, samples of old world practicality, and scars from a losing battle with the English language is the memory of se-eager, shouted confidence, "You think that Dorothy Limour is so much on her islands with hardly any clothes on. Wait till you hear what Mr. Schwartz did with Molly in the jungle!"

Such are Molly Picon's memories of her grandmother, whose pithy humor is now folklore.

11 Dead Gators Two-\$1,000 Bonds

Wildlife officers of the Game and Fresh Water Fish Commission arrested two men, Russell Fulton and Pete Williams of Bartow, and charged them with the illegal possession of 11 dead alligators, according to Louis F. Gainey, manager, Everglades region.

Gainey reported that it is believed the alleged game law violators had killed the alligators in the Conservation Area No. 2 in the northern portion of the Commission's Everglades Wildlife Management Area.

The two men were taken to the sub-station of the Palm Beach County Sheriff's office, where they were required to post \$1,000 bond apiece.

Fulton and Williams had in their possession, including the 11 dead alligators, a 1951 Oldsmobile, an outboard motor, one 22-caliber and several skinning knives, all of which were confiscated by the arresting wildlife officers.

"Since the entire state is closed to the taking of alligators and possesses the largest number of these reptiles, outside of Red China, the officers and the commission have their hands full attempting to fully protect the specie from the game law violators," Gainey said.

It was also pointed out that under proper controlled management, the alligator can and will be a valuable asset to the state, both as a tourist attraction as well as an important economic resource.

Pleasure Boats Must Be Registered Time Limit June 30

Florida pleasure boats owners were reminded by Conservation Director Randolph Hodges today that 1961-63 registration certificates expire June 30.

Pleasure boat owners may register their craft through their county tax collectors, starting June 12, Hodges said.

The old certificate must be presented to the tax collector when applying for a new certificate.

Hodges pointed out that un-
